

## Dominion Energy, Inc. (Dominion Energy)/SCANA Corporation (SCANA) Merger

SCANA merged with Dominion Energy on January 1, 2019. Holders of shares of SCANA common stock prior to the merger should review the following questions and answers to understand how and when they will receive the merger consideration for their SCANA common stock.

### Q: How much will I receive in exchange for my SCANA common stock?

A: Each share of SCANA common stock was converted into the right to receive 0.6690 shares of Dominion Energy common stock. Cash (without interest) will be paid in lieu of fractional shares of Dominion Energy common stock resulting from the conversion, as more fully described below.

### Q: Who is handling the exchange of my SCANA common stock?

A. Broadridge Corporate Issuer Solutions, Inc. ("Broadridge") is the designated Exchange Agent. Broadridge also serves as Dominion Energy's transfer agent.

### Q: Do I need to take action to receive my shares of Dominion Energy common stock?

A: In many cases no, but it depends on how your shares of SCANA common stock are owned. If you have:

- **Paper certificate only (called certificated shares):**  
If you hold a paper certificate(s), you will receive a Letter of Transmittal from the Exchange Agent with instructions on how to deliver the certificate(s). ***Do not send the Letter of Transmittal or your certificated shares to either Dominion Energy or SCANA.*** Following the delivery of your certificates, you will receive book-entry shares, which are electronic, uncertificated shares of Dominion Energy common stock.
- **Uncertificated (called book-entry) shares held by EQ, SCANA's transfer agent prior to the merger:**  
Uncertificated shares are electronic shares and are also referred to as book-entry shares. Book-entry shares held by EQ (which include shares held in the SCANA Investor Plus Plan) will be automatically converted by the Exchange Agent into book-entry shares of Dominion Energy common stock. You will receive notification from the Exchange Agent following the completion of the conversion, together with a check for any cash in lieu of fractional shares to which you are entitled. No action is required by you. (See information above if you also hold paper, certificated shares).
- **Book-entry shares held in a brokerage account or other intermediary:**  
If you hold book-entry shares with a broker or other intermediary, that party should make the arrangements for the conversion of your shares and you should receive notification from that party regarding the results of the conversion. If you have questions about the conversion, please contact your broker or intermediary for additional information.
- **Book-entry shares held by EQ plus a paper stock certificate:**  
If you hold a paper certificate(s) and book-entry shares with EQ (which include shares held in the SCANA Investor Plus Plan), you will receive a Letter of Transmittal which needs to be completed and returned to the Exchange Agent along with all of your certificates. Your book-entry shares with EQ will be automatically converted by the Exchange Agent into book-entry shares of Dominion Energy common stock.
- **The SCANA Investor Plus Plan:**  
These book-entry shares will be automatically exchanged for shares of Dominion Energy common stock by the Exchange Agent. No action is required by you unless you also have certificated shares as described above.
- **The SCANA 401(k) Retirement Savings Plan (for current and former employees):**  
All shares of SCANA stock held by the SCANA Stock Fund will be automatically exchanged.
