

Broadridge DRP

A Stock Purchase, Sale and Dividend Reinvestment Plan
Administered by Broadridge Corporate Issuer Solutions, LLC.

Sponsored by Matrix Trust Company, a subsidiary of Broadridge Financial Solutions Inc

Ready for Next

Broadridge Corporate Issuer Solutions, LLC. ("Broadridge") is pleased to administer and provide access to a Stock Purchase, Sale and Dividend Reinvestment Plan (the "Plan", or "DRP") sponsored by Matrix Trust Company ("Matrix"), an affiliate of Broadridge. This Plan offers a means by which existing registered shareholders who hold freely tradable shares of the Participating Company, The Marzetti Company, can purchase The Marzetti Company shares through automatic dividend reinvestment as well as submit requests to buy or sell shares through a registered broker-dealer, without opening a brokerage account. As administrator of the Plan, Broadridge is acting on behalf of the Participating Company. Broadridge is not acting as a broker-dealer and will not execute any purchase or sale on behalf of a plan participant. Rather, Broadridge will forward requests to purchase or sell such shares to a broker-dealer appointed by Broadridge, including possibly a broker-dealer affiliated with Broadridge, who will execute the transaction.

Prior to enrolling in the Plan, you should review and understand this document in its entirety including the [Questions and Answers](#), [Additional Terms and Conditions](#), and [Schedule of Fees and Purchases](#) sections of the Plan document, all following this cover page. If you choose to purchase or sell shares through the Plan or participate in dividend reinvestment, unlike a stock brokerage account, the timing, pricing and manner of transactions through the Plan will be subject to the provisions of the Plan and will be outside your control.

There are fees associated with effectuating transactions under the Plan, which are set forth in the [Schedule of Fees and Purchases](#) section of the Plan document, all following this cover page. Please review such fees carefully. The Plan is sponsored by Matrix and administered by Broadridge and is neither sponsored nor administered by the Participating Company. If you have general questions about the Plan, you may contact Broadridge at the toll-free number listed in the [Contact Information](#) section below.

The Broadridge DRP is a share purchase, sale, and dividend reinvestment plan that provides an alternative to traditional methods of buying, holding, and selling shares in the Participating Company, allowing you to build your investment over the long term.

Broadridge's DRP allows you to:

- *Make optional cash investments through check or by setting up automatic direct debits on a one-time or recurring basis.*
 - *Combine these choices. For example, you may choose to purchase every month through automatic monthly deductions and supplement with occasional purchases by check.*
- *Purchase in dollar amounts rather than for a certain share amount allowing you to maintain both full and fractional shares.*
- *Save money. Broadridge DRP fees are generally lower than commissions and fees charged by a broker.*
- *Automatically build your investment over time by participating in automatic dividend reinvestment on all or a portion of your dividend.*
- *Eliminate the need to keep stock certificates in safe keeping by depositing them into the Plan.*

Eligibility

The Broadridge DRP is available for current registered shareholders only. Regulations in certain countries may, however, limit or prohibit participation in this type of Plan. Persons residing outside the United States who wish to participate in the Broadridge DRP should first contact their financial or legal advisors to determine whether they are subject to any governmental regulations prohibiting their participation. This document provides a general overview and summary of the DRP. Please be sure you read and understand the full Plan terms and conditions before enrolling in the Broadridge DRP.

Questions and Answers

How do I enroll in the Broadridge DRP?

An existing registered shareholder can enroll in the Broadridge DRP online through our website simply by creating a profile and logging into your account. If preferred, you can enroll by completing and submitting an Enrollment Form which can be obtained from our website or by contacting Broadridge and requesting a form to be mailed (*please refer to our [Contact Information](#) section below for the link to our website ("Website") and the mailing address.*)

Minimum and maximum investment amounts, as well as any applicable fees, can be found in the [Schedule of Fees and Purchases](#) section below. Broadridge will purchase through a registered broker-dealer engaged by Broadridge (which may be an affiliate of Broadridge) whole shares and allocate fractional shares of the Participating Company's stock to equal the dollar amount of your investment, less any applicable fees.

How do I purchase additional shares?

As a Plan participant, you have two methods to purchase additional shares.

- You may authorize a one-time or recurring deduction from your bank or credit union account by logging into your account on the Website and selecting the "Purchase Shares" link. If preferred, you can submit a Stock Purchase Form by mail. You can download the form on the Website or obtain one by contacting Broadridge and requesting a form to be mailed.
- You may, at any time, make optional cash investments by sending a check (U.S. dollars) that is made payable to "Broadridge" along with a completed Stock Purchase Form available for download on the Website.

As an added security measure, Broadridge may apply a hold period to the initial association of banking or credit union account information to your investor account as well as changes made to established direct deposit or direct debit instructions. This hold period helps prevent unauthorized transactions.

Broadridge will submit your request to the registered broker-dealer utilized by the Plan to purchase whole shares and allocate any fractional shares of the Participating Company to equal each amount you invest, less any applicable fees. Any fees, as well as minimum and maximum purchase amounts, can be found in the [Schedule of Fees and Purchases](#) section below. Keep in mind that the value of the shares can fluctuate. The past performance of the Participating Company's stock is not necessarily an indicator of future performance. There can be no guarantee that the shares you purchase through the Broadridge DRP will increase in value or retain their current value.

How are shares purchased?

Regarding purchases of shares, Broadridge aggregates all requests to purchase shares received from Plan participants. A registered broker-dealer engaged by Broadridge (which may be an affiliate of Broadridge) then purchases the total shares on the open market. This broker-dealer will receive brokerage fees and commissions in connection with effectuating such transactions. The applicable price per share cannot be determined prior to the purchase. The shares acquired will reflect any applicable transaction fees and brokerage commissions and shall be the average weighted price for all shares purchased for all the Plan participants on the applicable trade date(s). Please see the [Schedule of Fees and Purchases](#) section for applicable trade date(s) for the Participating Company.

Broadridge will credit your account for all full and fractional shares (*generally between two (2) and up to six (6) decimal places*) purchased by the broker on your behalf. Please see the [Schedule of Fees and Purchases](#) section below regarding the allocation of fractional shares. Depending on the number of shares being purchased and current trading volume in the shares, purchases may be executed in multiple transactions and may take more than one day to complete. Broadridge will record a Plan participant's shares in book-entry form and generally will not issue physical certificates. Broadridge will normally mail a transaction confirmation by first class mail within five (5) to seven (7) business days following the final trade settlement date showing, among other things, the purchase price, any applicable transaction fees, brokerage commissions and the number of shares credited to your Plan account. Once a purchase of shares is completed, a participant will have all the rights of a shareholder in the Participating Company. For the purchase schedule and related fees – see the [Schedule of Fees and Purchases](#) section of this document.

May I contribute shares I already own into my DRP account?

Yes. You may contribute book-entry or paper stock certificates into your DRP account. Broadridge will credit your book-entry registered shares to your DRP account free of charge. With paper stock certificates, you will need to send them unsigned to the address at the end of this brochure via overnight delivery or some other form of traceable mail properly insured through the mail carrier, with return receipt requested. Please contact Broadridge for more information.

Can shares bought through the Broadridge DRP be issued in certificate form?

These shares will be issued and held in book-entry form. However, dependent on whether the Participating Company permits the issuance of certificates, you may request shares be issued in certificate form in your name. To obtain a stock certificate for any or all of the whole shares in your account, simply call or write to Broadridge at the contact address listed under the [Contact Information](#) section

below. A fee may be associated with this service. Please see the [Schedule of Fees and Purchases](#) section below.

Can my dividends from my DRP shares be reinvested?

If the Participating Company pays cash dividends, you can choose to reinvest such dividends in additional shares of the Participating Company. Please see the Enrollment Form for participation options available. You may also change your reinvestment instruction through the Website by logging into your shareholder account. If Broadridge receives the notice of change near an upcoming dividend record date, Broadridge may defer changing your reinvestment option until the next dividend payment date. Broadridge will instruct the broker-dealer utilized by the Plan to purchase whole shares and allocate any fractional shares to equal the dollar amount of the reinvested dividends, less any applicable fees and tax withholdings. See the [Additional Terms and Conditions](#) and the [Schedule of Fees and Purchases](#) for specific details on dividend reinvestment.

How do I transfer or gift shares?

You may transfer or gift shares from your DRP account by completing a Legal Transfer Form. A Legal Transfer Form is available to download and print at the Website, which is to be used to instruct Broadridge to whom the shares are to be delivered. Alternatively, you may contact Broadridge and request one to be mailed to you. Transfers may be made in book-entry form or in certificate form (if offered for the participating company).

How do I sell shares?

If you are a registered shareholder in the Participating Company, you can sell shares through the Plan by logging onto your account online, by contacting Broadridge directly or by signing and returning the Shareholder Sale Request Form. All registered shareholders must sign the Shareholder Sale Request Form. If you need a Shareholder Sale Request Form, you can obtain one by contacting Broadridge or by downloading and printing one directly from the Website. Sale orders via telephone carry a \$50,000 value limit. Anything above this value limit will have to be submitted via the Website or in writing by completing a Shareholder Sale Request Form. You may instruct Broadridge to sell shares under the Plan through a Batch Order, a Market Order, or a Day Limit Order, if available at Broadridge. Please be aware that all sales options may not be available at all times and options are pending availability at the Plan Administrator.

A check for the proceeds of the sale of shares less applicable taxes, transaction fees and brokerage commissions, together with a summary transaction statement, will normally be mailed to the participating shareholder by first class mail within two (2) business days after the final trade settlement date. All sale orders are considered irrevocable upon final submission of the order and cannot be cancelled.

More information regarding the terms and conditions of sales is in the [Additional Terms and Conditions](#) section of this document. Please be sure to read and understand all these terms and conditions prior to submitting any sales requests.

How do I keep track of my investments?

Broadridge offers online access to your account holdings through the Website. Once logged into your shareholder account you can then view your current holdings, recent transactions, as well as account statements and tax documents. While periodic statements can be mailed to you, Broadridge offers you the convenience of electronic delivery for account documents that are otherwise sent in paper form via postal mail. Simply log into your shareholder account, choose the document type and consent to receive electronically.

What documents will I receive from Broadridge so I may file my taxes?

Broadridge will send a Form 1099-DIV to you and the U.S. Internal Revenue Service after each year-end, reporting any dividend income you received during the year (which may consist of dividends and any applicable fees paid on your behalf by the Participating Company). If you sell shares through the Broadridge DRP, Broadridge will send a Form 1099-B to you and the U.S. Internal Revenue Service showing the total proceeds of the transactions. For non-U.S. persons, Broadridge will send a Form 1042-S to you and the U.S. Internal Revenue Service after each year-end, reporting any dividend income you have received during the year. We recommend that you keep your Broadridge statements, which are helpful for record keeping and tax purposes. Electronic copies of these tax forms are also available online by logging into your shareholder account on the Website.

How do I terminate my participation in the Plan?

Termination requests can be made by returning the sales coupon located at the

bottom of your Plan statement and selecting the "Terminate Plan Participation" checkbox. The coupon must be signed by all registered holders and mailed to Broadridge at the address listed below. All whole shares will be converted to book-entry in DRS and fractional shares will be sold. For specific information about the process and timing of termination of your participation, see the [Additional Terms and Conditions](#) section.

What if I have questions and want to contact Broadridge regarding the DRP or other Broadridge services?

Many of your questions can be answered by visiting the Knowledge Center on the Website or you can contact us directly via our call center, through mail, or by email. See the [Contact Information](#) section below.

Additional Terms and Conditions

Current registered shareholders in the Participating Company can purchase shares through the Plan by visiting the Website (please refer to our [Contact Information](#) section below). If preferred, existing registered shareholders can enroll by completing and submitting an Enrollment Form which can be obtained online or by contacting Broadridge and requesting one to be mailed. Broadridge will hold any personal information you provide, as administrator of the Plan and on behalf of the Participating Company, pursuant to our Privacy Statement, which can be found on the Website. The ability to purchase or sell shares through the Plan is intended to be a convenience. However, you may find it more convenient or economical to affect such purchases or sales through a broker of your choice. Participation in the Plan is strictly voluntary. Individuals participating in the Plan should be aware that the share price may fluctuate between the time your transaction request is received and the time the transaction is affected on the open market. This price risk will be borne solely by you. Broadridge may, but is not obligated to, accept written requests to revoke transaction requests

Purchases

Broadridge aggregates all requests to purchase shares received from Plan participants. A registered broker-dealer engaged by Broadridge (which may be an affiliate of Broadridge) then purchases the total shares on the open market. This broker-dealer will receive brokerage fees and commissions in connection with effectuating such transactions. The applicable price per share cannot be determined prior to the purchase. The shares acquired will reflect any applicable transaction fees and brokerage commissions and shall be the average weighted price for all shares purchased for Plan participants on the applicable trade date(s).

Broadridge will credit your account for all full and fractional shares (*generally between two (2) and up to six (6) decimal places*) purchased by the broker on your behalf. Depending on the number of shares being purchased and current trading volume in the shares, purchases may be executed in multiple transactions and may take more than one day to complete. Broadridge will record a Plan participant's shares in book-entry form and generally will not issue a physical certificate. Broadridge will normally mail a transaction confirmation by first class mail within five (5) to seven (7) business days following the final trade settlement date. The statement will normally display the purchase price, any applicable transaction fees, brokerage commissions and the number of shares credited to your Plan account. Once a purchase of shares is completed, a participant will have all the rights of a shareholder in the Participating Company.

All purchases must be made in compliance with all applicable securities laws, including laws prohibiting insider trading. In addition, purchases by directors and employees, including optional investments, must be made in compliance with the Participating Company's Insider Trading and Material Inside Information Policy. In addition to other limitations, applicable securities laws and the insider trading policy provide that you may not trade in the Participating Company's securities if you are in possession of material, non-public information about the Participating Company.

Optional Investments

Additional shares in the Participating Company can be purchased by using the Plan's optional investment feature. Optional cash investments can be made through check (U.S. dollars) made payable to Broadridge or by authorizing recurring or one-time direct debits from a checking or savings account. All optional investments are subject to minimum and maximum investment limitations as outlined below. Participating shareholders are not obligated to make optional investments at any time under the Plan.

Broadridge will utilize the optional cash investments to make purchases through the broker-dealer utilized by the Plan on the open market promptly on the applicable investment date. Please see the [Schedule of Fees and Purchases](#) section below to find the investment date(s) for the Participating Company. If that day is not a business day, the business day immediately following that investment date will apply. Broadridge must receive funds for optional

investments no later than the time outlined in the [Schedule of Fees and Purchases](#) section below otherwise, Broadridge may hold those funds and invest them beginning on the next investment date. No interest will be paid on funds held by Broadridge pending investment. Accordingly, you may wish to transmit any such investments to reach Broadridge quickly in order to minimize any time period during which your funds are not invested. Dividend payments that you have designated for reinvestment will be invested on the dividend payable date or on the investment date immediately following such dividend payable date where receipt has been made from the Participating Company, and in any case within 30 days of such date. Please see the [Schedule of Fees and Purchases](#) section below to find the investment date(s) for the Participating Company. All purchases are subject to market availability and the liquidity of shares on the open market.

Method of Payment - Optional Investments

Check - optional investments can be made during any month by delivering to Broadridge a completed purchase coupon (the tear-off portion located on the bottom of your statement or transaction advice) or Stock Purchase Form, and a personal check, money order, or bank or credit union check made payable in U.S. dollars from a U.S. bank or credit union to Broadridge. Cash payments will not be accepted.

Automatic Bank or Credit Union Draft - optional investments can be made by authorizing Broadridge to deduct a set amount from a U.S. checking, savings, or credit union account either on a one-time or recurring basis, either through the Website or by completing the appropriate section of the Enrollment Form. The form should be mailed to Broadridge with a voided check for the bank or credit union account from which funds are to be drafted. Please see the [Schedule of Fees and Purchases](#) section below to find the automated bank or credit union draft frequency and applicable debit dates. If that day is not a business day, the business day immediately following that draft date will apply. One-time investments will be drawn as soon as practicable, but investors should allow up to four weeks for the first automatic bank or credit union draft to be initiated. In order to cancel a bank or credit union draft, a request should be made to Broadridge, in writing, at least ten business days prior to the next automatic bank or credit union draft date for the termination to take place.

As an added security measure, Broadridge may apply a hold period to the initial association of banking or credit union account information to your investor account as well as changes made to established direct deposit or direct debit instructions. This hold period helps prevent unauthorized transactions. If a participant's optional investment, either through check or a bank or credit union draft, is returned/rejected for any reason, the corresponding request for purchase will be considered voided. Any shares that were purchased will be removed from the participant's account and can be sold at Broadridge's discretion. Broadridge will also retain the right to liquidate any additional shares as necessary on a participant's account to cover any costs associated with the returned/rejected payment. Please review the [Schedule of Fees and Purchases](#) for availability, automatic ACH debit frequencies, trade date(s), and fees.

Dividend Reinvestment

If the Participating Company pays cash dividends, you can choose to reinvest all or a portion of your dividends on shares. Following your instructions, Broadridge will apply all or a part of the cash dividend to the purchase of additional shares in the Participating Company. If you enroll in the Plan but no dividend election is made, a default election will be made of full reinvestment. Broadridge will cause the broker-dealer utilized by the Plan to purchase whole shares and allocate any fractional shares to equal the dollar amount of the reinvested dividends, less any applicable fees and tax withholdings. Such purchases will be completed pursuant to the usual share purchase process described under the [Purchase](#) section of this document. You may change your reinvestment election through the Website or in writing at any time. If Broadridge receives the notice of change near an upcoming dividend record date, Broadridge may defer changing your reinvestment option until the next dividend payment date. This should be considered when submitting or sending any requests to change dividend elections.

Sales

Batch Order - A registered shareholder who holds shares of the Participating Company in Direct Registration Form (i.e., shares held electronically or by book entry) can submit requests to sell your shares through a registered broker-dealer by initiating a sale through the Website by logging into your shareholder account, by telephone, or through the mail at any time. Broadridge will promptly forward such requests to the registered broker-dealer utilized by the Plan. This broker-dealer may sell the shares on the open market in round lot transactions or odd lot transactions. The price per share for the shares sold will always be the average weighted price for all shares sold through the Plan on the trade date or dates. In general, sales are made at least once a week. Depending on the number of shares being sold and current trading volume in the shares, sales may be executed in multiple transactions and may be traded on more than one

day. The selling price will not be known until the sale is complete. Each batch order sale will incur a flat administrative fee to Broadridge per transaction request. In addition, there is a brokerage commission fee per share sold (no portion of which will be retained by or forwarded to Broadridge). Please see the [Schedule of Fees and Purchases](#) for fees related to the selling of shares.

Market Order - A market order is a request to sell shares promptly at the current market price. Market order sales can be initiated through the Website by logging into your shareholder account or by contacting Broadridge by telephone. Market order sale requests will be submitted to a registered broker-dealer utilized by the Plan promptly upon receipt during market hours (normally 9:30AM to 4:00PM Eastern Time). Any orders received after 4:00PM Eastern Time will be submitted to a registered broker-dealer utilized by the Plan promptly the next business day when the market is open. All market orders are considered irrevocable upon final submission of the order and cannot be cancelled. Depending on the current trading activity of the shares, there may not be a market for your request and the order could be cancelled at the end of the trading day resulting in no sale of such shares. To determine if shares were sold, a participating shareholder should access your account online at the Website or by contacting Broadridge. If the market order sale was not filled and a participating shareholder still wants the shares sold, a sale request will need to be resubmitted. The price will be the market price of the sale obtained by the broker-dealer utilized by the Plan. Each market order sale will incur a flat administrative fee to Broadridge per transaction request. In addition, there is a brokerage commission fee per share sold (no portion of which will be retained by or forwarded to Broadridge). Please see the [Schedule of Fees and Purchases](#) section for fees related to the selling of shares.

Market order requests submitted to Broadridge outside of market hours (market hours are usually 9:30AM to 4:00PM Eastern Time), will be forwarded to the registered broker-dealer utilized by Broadridge on the next business day once the market has opened. Broadridge, as the Plan Administrator, does not have control over, nor guarantee, the date, time, or pricing associated with any shares that are sold through the Plan. All sale orders are submitted as All-or-None (AON) orders and, depending on market conditions, the order may not be included in market open trades and/or not executed at all.

Day Limit Order - A day limit order is an order to sell shares when and if the shares reach a specific trading price on a specific day. The order is automatically cancelled if the price is not met by the end of that day (or, for orders placed after-market hours, the next business day the market is open). All limit orders are considered irrevocable upon final submission of the order and cannot be cancelled within market trading hours. Depending on the current trading activity of the shares, there may not be a market for your request and the order could be cancelled at the end of the trading day resulting in no sale of such shares. Should you submit a limit order that falls under the current trading price at the time of receipt by the broker-dealer utilized by the Plan, there is a chance the order will be cancelled upon receipt if it exceeds certain pricing thresholds meant to protect you from erroneous entries. Please check your account transaction upon the submission of any limit orders submitted to ensure it was received and accepted. The order may be cancelled by the applicable stock exchange or by the broker engaged by Broadridge due to certain restrictions. Each day limit order sale will incur a flat administrative fee to Broadridge per transaction request. In addition, there is a brokerage commission fee per share sold (no portion of which will be retained by or forwarded to Broadridge). Please see the [Schedule of Fees and Purchases](#) section for fees related to the selling of shares.

All sale orders are submitted as All-or-None (AON) orders. Broadridge will automatically treat all sale requests received in writing as batch order sales requests. Individuals participating in the Plan should be aware that the share price may fluctuate between the time your transaction request is received and the time the transaction is affected on the open market. This price risk will be borne solely by you. Broadridge may, but is not obligated to, accept written requests to revoke transaction requests. Please be aware that all sales options may always not be available, and options are pending availability at the Plan Administrator.

Fractional Shares

If your account balance falls below one whole share of the Participating Company, Broadridge may, at its discretion, terminate your participation in the Plan. Any fractional shares will be sold by the broker-dealer engaged by Broadridge. A check for the value of the fractional shares, less any applicable fees, will be sent to you shortly after.

Broadridge's and Matrix's Responsibilities

Neither Broadridge, nor Matrix, nor the Participating Company will not be liable for, and will be held harmless against, any losses or liability incurred by participants arising from, related to or in connection with the administration or sponsorship of the Plan or Broadridge's, Matrix's, or the Participating Company's actions or non-actions with respect to the Plan, and the participant shall indemnify and hold harmless Broadridge, Matrix, and the Participating Company from all losses and liabilities incurred by Broadridge, Matrix, and the Participating Company in connection therewith.

Broadridge is administering this Plan and Matrix is sponsoring this Plan on behalf of the Participating Company. Such Participating Company has no control over the administration of the Plan. Neither Broadridge nor Matrix is a registered broker-dealer and neither endorses nor recommends the services of any brokerage company. Any shareholder utilizing the Plan will not be a brokerage customer of Broadridge or Matrix. Broadridge's role in administering the Plan and Matrix's role in sponsoring the Plan are purely ministerial and clerical. Additionally, neither Broadridge nor Matrix warranties or guarantees execution quality or fulfillment of transaction requests.

Shares are not insured by the FDIC or any other governmental agency, are not deposits or other obligations of and are not guaranteed by Broadridge or the Participating Company, and are subject to investment risks, including possible loss of principal amount invested. Shares held in Plan accounts for participants in the Plan are not subject to protection under the Securities Investor Protection Act of 1970.

These Terms and Conditions and the administration of the Plan and Broadridge and Matrix's activities under the Plan shall be governed by the substantive laws (and not the choice of law rules) of the State of New York; all proceedings relating to the Plan shall be brought by the participants only in courts located in the City of New York; and the participants waive their right to trial by jury.

Matrix and Broadridge each reserve the right to resign respectively as sponsor or administrator of the Plan upon notice to participants in the Plan. Matrix, Broadridge and the Participating Company reserves the right to agree to modify the Plan, including the right to terminate the Plan upon notice to Plan Participants. In addition, Matrix and Broadridge each reserve the right to interpret and regulate the Plan as it deems necessary or desirable in connection with its respective sponsorship or administration. Neither Matrix, nor Broadridge, nor the Participating Company provides advice and makes recommendations with respect to purchasing or selling shares. Any decision to purchase or sell must be made by each individual participant based on his or her own research and judgment. Nothing herein shall be deemed to constitute an offer to sell or a solicitation to buy share(s).

The Broadridge DRP for The Marzetti Company

Schedule of Fees and Purchases

Optional Investments

Minimum One-time Investment (ACH/Check)	\$50.00
Minimum Recurring Investment (ACH)	\$50.00
Maximum Recurring Investment (Annual)	\$20,000.00

In addition to the above fees, Broadridge will forward a brokerage commission fee of \$0.10 per share purchased to the registered broker-dealer utilized by the Plan administrator. This fee will be paid by the Participating Company on behalf of the shareholder.

The Investment Date for optional cash purchases will occur monthly on the 10th (or the next business day if the investment date falls on a non-business day). Broadridge must receive funds for optional investments no later than two business days before an Investment Date for those investments to be invested beginning on that Investment Date. Otherwise, Broadridge may hold those funds and invest them on the next Investment Date.

The Automated Draft Debit Date will be the 1st of the month (or the next business day if the Investment Date falls on a non-business day).

Sales

Batch Order (per transaction)	\$15.00
Market Order (per transaction)	\$25.00
Limit Order (per transaction)	\$25.00

In all instances, Broadridge will forward a brokerage commission of \$0.10 per share sold to the registered broker-dealer utilized by the Plan. These fees will be deducted from the sales proceeds.

Please be aware that all sales options may not be available at all times and options are pending availability at the Plan Administrator.

Dividend Reinvestment

Broadridge will forward a brokerage commission fee of \$0.10 per share purchased to the registered broker-dealer utilized by the Plan. This fee will be paid by the Participating company on behalf of the shareholder.

Additional Fees

Returned Checks/Insufficient Funds	\$30.00
Historic Research (per request)	\$25.00
Replacement Check (per request)	\$3.00
Overnight Delivery (per mailing)	\$25.00
Saturday Delivery (per mailing)	\$25.00
Certificate Issuance (if applicable)	\$50.00
Duplicate Statements (Confirms/Account)	
Electronic	No Charge
Paper	\$10.00

All fees set forth in this schedule are subject to change without notice by the Plan Administrator.
