

NASDAQ: MSEX  
Common Dividend Declared

Dear Valued Shareholder:

Middlesex Water Company is pleased to report that your Board of Directors has declared a **quarterly cash dividend** of \$0.25625, payable on March 2, 2020 to shareholders of record as of February 14, 2020. We are proud of our record of paying cash dividends continually since 1912 and our **47-year history** of consecutive annual dividend increases.

Our focus on advancing public health protection through prudent investment in infrastructure continues as we announced plans in February to invest \$11.2 million to upgrade water mains, service lines, valves and hydrants in the Township of Edison and the City of South Amboy, NJ. This ongoing infrastructure enhancement initiative called RENEW is in its 25<sup>th</sup> year and helps to improve fire flows and enhance overall service quality.

In mid-April, we anticipate mailing proxy material notices for the upcoming Annual Meeting of Shareholders to be held on **May 19, 2020** at Delta Hotels by Marriott Woodbridge in Iselin, NJ beginning at 11:00 a.m. These notices will provide information on how to view our Proxy and Annual Report online, voting procedure and Annual Meeting location.
